## 3. Committee Reports

### 3.1 Presidents Report

This year is the 40<sup>th</sup> year of Woy Woy Little Athletics existence and is my third season as President of the Club. While I was not intending to take up the role again this year, we had no one nominate, so I covered the role while still doing the role I had nominated for, as well as

backfilling several other vacant roles. I have continued to have good support from both current and former committee members and a small group of parent helpers who help out with the many tasks needed to keep the club running. Nevertheless, it has been a big job, and I will step down next year as my children are no longer young enough to do Little Athletics. I will continue to assist the committee in an unofficial capacity.

In most ways the club has continued to thrive again this year. Our registration numbers were up. We were successful in receiving sponsorship funds from Ettalong Diggers and Bendigo bank. We also received support from Boost Juice and Bakers Delight at Woy Woy who provide valuable in-kind donations and give award certificates for our athletes on a weekly basis.

We end the season with a healthy bank balance, even though we ran at a small loss this year. We set up a high interest term deposit with our excess funds so we can earn a little interest in the future which will help cover some of the ongoing expenses going forward.

The one ongoing struggle we have is in having enough people step up to help run the club. I am very grateful to those who stepped up to help us run every week. As this year is our 40<sup>th</sup> year anniversary, it is comforting to reflect on the fact that in all this time we have run on parent power, which is quite an achievement, and we are all looking forward to our little 40 year celebration this year at presentation.

There have been many highlights this year. A fun Coles Banana Relay night early in the season with prizes donated from the Central Coast Aquapark were a big hit. There were plenty of inter-club carnivals and competitions which some children participated in far and wide across the whole state. Thirty-eight athletes registered for Zone Competition this year, which was held at, Mingara and the team brought home 42 medals despite the heat that weekend. Twenty-four athletes went on to represent us at Regional Championships at Glendale. Five selected to compete at State. I congratulate all these athletes for their enthusiasm and commitment.

It goes without saying, I would like to thank my fellow committee members for all their support this year. To Zoe Brookes our hard-working secretary for doing that work in the background as well as backing up in the canteen on a regular basis. Deb Van Breugel and Rochelle Martin who both do multiple roles on the committee as well as age managing and coaching on throws. To Judi and Ken Brookes for managing the canteen and raising much needed funds for the club for the second year in a row. A special mention to Tom Szymanski who set up and bought in the equipment each week, as well as doing some of the line marking and starting on the straight track when needed and to Celeste and Sharon Boonaerts who have taken on managing the results which is a big job. Also to Kevin Wills who goes above and beyond as our Officer for coaching.

A very big thank you to our new committee members, Raewyn Burden who came on board as registrar, who has been diligent in learning the registration system. Also a big welcome to Jet James for stepping up into the role of Vice President this year. Both have been valuable members of the committee bringing new perspectives and energy to the club.

I would also like to take the opportunity to thank our volunteers who are not on the committee but help on a regular basis. We simply could not operate on Friday night without

you. Sylvia Turnbull, Terry McCusker, Mitch Evans and Luka Szymanski for starting on a regular basis and to Natalie Ham and Deb Scahill for their work on the straight track computer. To Natasha Day and Patrick Turnbull for putting out and putting away equipment each week. To Holly Ashford and Caitlin McLennan for entering the field results which is no small task. To Naomi Hart for assisting in the canteen and helping out with social-media this season. Then there are the Parent Age Managers who are really are the backbone of the club. It goes without saying we would not be able to run without you. So you can see It really does take a village to keep it going and every bit of help we get makes a difference.

A special thank you to our volunteer coaches particularly, Kevin Wills and Ed Batten who attend every week and we would not have a club without you. To all the coaches who come when they can, It goes without saying that your contribution is central to our mission.

Last but not least, thank you to our generous sponsors, Ettalong Diggers, Bendigo Bank, BOOST Juice Deepwater Plaza, Bakers Delight and Bunnings for supporting our club again this year. Support from Diggers has allowed us to hold our presentations nights and provided new equipment such as two-way radios to be used on the track which makes everyone life easier. Bendigo provided funds for a new branded club marque. Bunnings provides gas for the BBQ and Boost Juice Deepwater Plaza and Bakers Delight Woy Woy help with all those little extras to give encouragement to our kids and helps to keep our fees low, so we are very grateful for your ongoing support.

It is always great to see new families, carers, parents and grandparents involved. This is what makes each week come together for the kids. Yes, it is a lot of work, but with good humour, enthusiasm and everyone's involvement, our children have a place to have fun, be active, cheer each other on and maybe even start on a professional sporting career. Building community is its own reward and does not happen if we do not step up to make it so.

Between us we have made it all happen for another year so thank you.

*Christine Murphy*  
(Acting as President)

### 3.2 Secretary Report

During the 23/24 season we filled most of the Committee positions and welcomed several new Executive Committee Members (thanks Raewyn and Jett). It is great to have new people who are passionate about supporting children's sport volunteer their time to help run our Club. Community sporting groups such as ours rely on active committees, and it is an honour to be part of such a committed group of people.

This season our committee met on the third Tuesday of most months via Zoom. The Committee met on 8 occasions during the year. Minutes of the committee meetings are available on request and stored on the central WWPLAC Google Drive. All other official paperwork in relation to the operation of the Club was completed and submitted as required by the NSW Little Athletics Association.

Thanks in the most part to a government grant, in October 2023 we were able to replace all our throwing equipment, high jump cross bars and provide some additional hurdles for our competitors. Thank you NSW Office of Sport.

Finally, I would like to personally thank our current Treasurer Christine Murphy for her unbridled commitment to Woy Woy Little Athletics as she steps away from the Committee after many years of dedication. Without a President for season 23-24, Christine assumed many of the responsibilities for both the Treasurer and President roles as well as provided considerable time to ensure the smooth running of our weekly competition nights. Thank you Christine, you will be missed!

*Zoe Brookes*  
Secretary

### 3.3 Treasurers Report

The club continues to have a healthy bank balance flowing from the hard work of volunteers, good financial management historically and higher numbers of registered athletes this season.

The accounts have been audited by Meany and Associates and the full financial report is included as an attachment at the end of this report. At the close of this season, we are in a viable position for next year. Our Balance sheet showed we started the year with \$63,294 in the bank and we closed off the books this year with \$62,078 held in our accounts.

The Committee agreed to set up a \$30,000 fixed term deposit to realise some interest and untied income going forward.

Our club's total income for the year was \$26,702 which was down around \$5,000. Canteen sales were down a little from the previous year, representing about half the above reduction in turnover. We also did not receive any grants or hire out equipment this year. Although we did receive slightly more in registration revenue, given we had increased numbers and slightly more sponsorship revenue compared to last year.

The canteen account opened with a balance of \$17,402 and closed with a balance of \$6,939. We took \$13,000 from this account to establish the Fixed Term Deposit. We thank all canteen volunteers for their excellent work. The canteen made a tidy profit of \$2,800 which is our clubs most valuable fundraising exercise. The canteen expenses were less this year but proportionately higher compared to canteen income and this came as no surprise in line with the general increase in just about all grocery items in the last 12 months.

All these factors combined to have the club running at a small loss of \$2,729.11 overall. The club should consider making a small increase to fees in the next season given we have not done so for many years. Although there are some one off factors that contributed to the loss. High inflation being issue across the board, line marking required almost weekly compared to other years when it has been fortnightly. The cost of trophies has increased somewhat from the previous years. The club also agreed to pay the cost of Zone and regional competition this year given many families are struggling with the cost of living. There have also been a few

extra costs related to the 40<sup>th</sup> Anniversary celebrations as we came towards the end of the year. Given the good cash position of the club, the committee is comfortable with the situation and the overall position of the club is very healthy.

*Christine Murphy*  
(Treasurer)

### 3.4 Registrar Report

The 2023-2024 season for Woy Woy Peninsula Little Athletics Club (WWPLAC) as we celebrated our 40<sup>th</sup> Anniversary was a wonderful one in terms of members, and we did prove Beyonce's sage words that 'girls run the world' (as well as WWPLAC!).

This season we had 215 active members, which was an increase of 8.5% from the 2022-2023 season. 114 of our athletes were female with 101 male athletes registered. 66% of our athletes were registered in the 6-10 age groups with our Under 10 age group our largest with 32 athletes over both the male and female groups. Our Under 7 Girls were our largest gender group with 18 participants registered (out of 27 in the entire age group).

Despite changes to the structure of NSW Little Athletics and Athletics Australia registration and fees, WWPLAC did not increase their fees for the 2023-2024 season to ensure we continued to be a reasonably priced sport for our families. We also offered our committee members discounts on the WWPLAC fees to thank them for the time they spend helping the club grow and run efficiently. The committee member discount will again be offered in the 2024-2025 season, so I encourage you to join the committee and be engaged in how you want to see your club run in the future for your children.

Looking forward to a bigger and better 2024-2025 – bring a friend!

*Raewyn Burden*  
(Registrar)

### 3.5 Records and Rankings Report

2023-2024 has been another great season for Woy Woy Little Athletics. It has been an enjoyable experience once again to be involved in this club. The enthusiasm of the children and young adults is great to see, and we have enjoyed the satisfaction and success of each athlete as they crossed the finish line of the circular track this season.

Thank you to Tom Szymanski for setting up the electronic circular track timer, synchronising the starter gun with the laptop race start, this has been very helpful improvement this year and made the timing of the races much easier. We have also had new starters training and taking on the role and the synched start has supported this process, thank you to Terry, Mitch, Ed and all our regular and spontaneous starters.

Great communication between our volunteers, flag waving, walkie-talkies and following the track lists supplied each week by Christine has helped each week flow well.

We have also been supported by the age managers, other parents/family members and our LA athletes themselves who have kept the finish line and marshalling area clear and listened to instructions when needed. The attitude of respect and helpfulness has had our club support every athlete to succeed in their achievements.

We have seen new records made this season: Congratulations to Sienna S U17G in 400m, Oliver S U17B in 100m Hurdles, Kobe A U7B for Discus and Leo T U11B also for Discus. What a wonderful way for Sienna and Oliver as they 'age out' of our club, breaking records in their final season after both showing such dedication and excellent achievements over so many years.

There have been so many great Personal Bests this season and these have been celebrated each week as we all yell "PB for ....." to delighted and tired athletes as they finish their events.

Records and Ranking results have been used in deciding the Perpetual Awards as well as the allocations of Age Championship trophies, and it is a testament to our athletes as well as the dedication of their families and our Committee and volunteers that we see these great achievements. Well done to everyone!

Sharing this role between us has again been a great way for two busy women to enjoy and juggle the job. As Mum and Auntie, we have both enjoyed being in a role that lets us see our kids participate while having flexibility to manage fulltime work commitments. We encourage other people in our club to 'buddy up' if you'd like to be involved but feel you can't take on a role on your own. A huge thank you to everyone who has given their time to volunteer on Friday nights and kept our club going for 40 years, so our kids can continue to compete.

In particular, an immense and heartfelt thank you to Christine, our President, for going above and beyond in so many ways and with a spirit of generosity to our club and every person in it and to Tom who gets the oval ready for us in all the hours and efforts that takes.

*Celeste & Sharon Boonaerts*  
(Records and Rankings Officers)

### 3.6 Championships Report

Zone championships were held at Mingara on the 9th - 10th December 2023. Thirty-eight athletes were registered to participate and twenty-eight athletes competed over the weekend, with 24 qualifying for regional competition. Zone was severely disrupted by heat this year with some events being moved several times over the weekend.

The Regional Championships were held at Glendale sports complex on the weekend 3<sup>rd</sup> and 4<sup>th</sup> of February. Five athletes qualified for State, although two ended up being unable to compete due illness. The State Championships were held at Sydney Olympic Park on the 22nd - 24th March. Congratulations to all athletes who competed.

As always, we thank our athletes and their parents for making the effort to represent our club and for taking on volunteer duties associated with these competitions.

Also a big thankyou to also to our volunteer club coaches Kevin Willis and Ed Batten for their weekly commitment. We are grateful for your time and commitment.

*Rochelle Martin*

(Championships Officer)

### 3.7 Coaching Report

Club coaches were again available throughout the season. Kevin Wills was on hand on Tuesday and Thursday as well as attending various championships throughout the year. Ed Batten was available on Fridays for coaching before, and to give assistance during competition. We have a group of about 10 athletes who do additional training on a regular basis. We also had some organised for training with coaches from other clubs throughout the season in the lead up to Regional and State competition. Our athletes gain a lot from the extra support given. A shout out to Rochelle Martin and Slav Arkhipov for their assistance on coaching Shot Put with the younger athletes this year.

*Kevin Wills*

Officer for Coaching

### 3.8 Canteen Report

The 2023/24 season we were blessed with mostly good weather with only a couple of nights being declared a wash out. The menu and prices, (with the exception of some lollies) remained unchanged from the previous year. The season and sales started off strong but after Christmas break, numbers were hard to cater for. We seemed to under cater or over cater, resulting in some food wastage, hence loss of profits. Having said that this year the canteen turned over between \$300 and \$600 per week. The Canteen's total income was \$6,652 and expenses were \$3,851 leaving us with a total profit of \$2,801.

I believe that the canteen menu offered this year, and in previous years worked well, but new blood in the canteen opens it up to new ideas. A very special thanks to Zoe Brookes and Naomi Hart for helping every week in the canteen and to Zoe for running the canteen in my absence. A special thanks to Ken for organising the Bar-B-Que each week, and to the volunteers from each age group each week that assisted him, and also to Ric Brookes for always being available to help where needed. A thankyou to Greg Llewellyn for helping when he was available as well. At the end of this current season, following Presentation Day, Ken and I will be stepping down from the role of running the Canteen, as we want to take the opportunity to make available our weekends. If we are able, we will come down and help anywhere on the field where assistance is needed without committing to a permanent committee member next season. A huge thankyou to Chris and Tom, who work tirelessly for the Club, and without them there would not be a Club. I hope that we see lots of new faces on the Committee in the coming Season, and in this respect, we wish them well. Warm Regards

*Judi Brookes*

(Officer for Canteen)

### 3.9 Uniform Report

Uniform sales are now online with only a small amount of older or second-hand stock being sold through the club. Sportsmagic, our supplier mainly did a great job although there seemed to be some supply chain issues with some delay with a few orders on several occasions this year. This year we received \$364 from Sportsmagic which is donation based on a percentage of the club's uniform sales.

*Deborah van Breugel*  
(Officer for Uniforms)

### 3.10 First Aid Report

There were no first aid incidents to report this year.

*Tom Szymanski*  
(Officer for First Aid)

### 3.11 Member Protection Report

There were no member protection incidents to report this year.

*Christine Murphy*  
(Member Protection Officer)

## 4 Championships

### 4.1 Zone Championships

Zone championships were held at Mingara on the 9<sup>th</sup> - 10<sup>th</sup> December 2023. A team of 38 athletes represented the club. The weather was extremely hot, and the schedule was changed several times both in the lead up, and throughout the weekend, which caused a number of athletes to be unable to compete. Nevertheless 24 athletes progressed through to the Regional Championships this year.

Our Zone team bought home 12 Gold, 14 Silver and 16 Bronze medals.

### 4.2 Regional Championships

We had 24 athletes compete at Regional Championships, which were held at the Hunter Sports Centre at Glendale over the weekend of the 2-3-4<sup>th</sup> of February 2024.

## 5.4 Bob Walkley Highest Point Scorer Perpetual Award

Bob Walkley is a life member and contributed greatly to the Club during his 33 years of involvement. This trophy is awarded to the highest overall point scorer. Points are awarded as follows 5 for 1st, 4 for 2nd, 3 for 3rd, 2 for 4th, 1 for 5th in each event in which an athlete competes. As the age groups have a differing number of events, averaging is used to assess the points equally, however for an age group to be considered, there must be more than 5 athletes registered in that age group.

### 5.4.1 Previous Award Recipients

## Report on the financial Report

We have reviewed the accompanying financial report of Woy Woy Peninsula Little Athletics centre Incorporated (the association), which comprises the statement of financial position as at 31 March 2024, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

## Committee's Responsibility for the Financial Report

The committee of the association is *responsible* for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Associations Incorporation Act and for such internal control as the committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Our Responsibility

Our responsibility is to express an opinion on the financial report based on our review. We conducted our review in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An review involves performing procedures to obtain evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial *report*, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Opinion

In our opinion, the financial report presents fairly in all material respects the financial position of Woy Woy Peninsula Little Athletics Inc as at the 31<sup>st</sup> of March 2024 and its financial performance

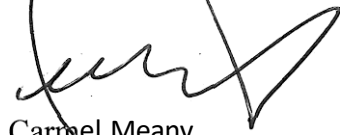

for the year ended
