3. Committee Reports

3.1 Presidents Report

This is my second season as President of the Club, and it has been a rewarding experience. I have had good support from both current and former committee members and a small group of parent helpers who have stepped who have helped with the many tasks needed to keep the

club running. Nevertheless, it has been a big job, and I will step down next year. I will remain on the committee and will continue to assist in a different role next year.

In most ways the club has continued to thrive again this year. We managed to get a full season in for the first time in many years. With no weather, Covid-19 or bushfire disruptions this season. In fact this year is the first since I have been involved where we did not lose even one competition night to wet weather.

Our registration numbers were up this year by nearly 25%. We were successful in receiving sponsorship from Ettalong Diggers and Bendigo bank as well as a NSW State grant this season. The canteen continued to raise much needed funds and we ended the year with a healthy bank balance. This will see us into the next season in great shape financially. We are even looking at setting up a high interest term deposit so we can earn a little interest on funds in the bank.

The one struggle we have is in having enough people step up to help run the club. Both on competition nights and in attracting new committee members. I am very grateful to those who stepped up to help us run every week. Next year is our 40th year anniversary, which is quite an achievement. We have managed to find volunteers for all these years and hopefully we will have some new volunteers step up next year to help us continue to operate.

There have been many highlights this year. A fun Coles Banana Relay night with prizes donated from Central Coast Aquapark were a big hit and we have seen the return of many more inter-club competitions. We were delighted to have our much-loved Zone Competition return after a two-year hiatus. Thirty athletes represented the club, and 13 went on to Regional Championships with the team bringing home 14 medals between them. Seven athletes went on to represent our club at State Championships. Unlike last year when heavy rain was the issue, this year the athletes had extreme heat to content with. I congratulate all the athletes who competed for their commitment. A special mention to Sienna Scahill who made it to the podium for the 800m and 1500m.

It goes without saying, I would like to thank my fellow committee members for all their support this year. Deb Van Breugel and Rochelle Martin for doing multiple roles on the committee as well as age managing. To Sylvia Turnbull now in her 9th year of service to the club, for her work on both committee and for starting on the circular track on a regular basis. To Fiona Wadson, who has been with us for 13 years, for place judging on the circular track every week. A special mention to Tom Szymanski who set up and bought in the equipment each week, doing some of the line marking and starting on the straight track.

A big thank you to our new committee members, Zoe Brookes as Secretary, who has been diligent in learning the ropes and getting our administration under control given the role has been vacant for a few years. To Judi and Ken Brookes for taking on the canteen and raising much needed funds for the club. To Sarah El-Moselhi for her assistance on social media and for capturing some great Friday night action. To Celeste and Sharon Boonearts who have taken on managing the results which is a big job. Also to Slav Arkipov who has assisted Kev with coaching. It has been great to see new parents and grandparents involved, it is what makes each week come together for the kids. It is more work than we can manage, and all of us are overly busy, but your good humour, enthusiasm involvement means local children have a place to have fun, be active, cheer each other on and maybe even start on their professional

athletics journey. This is its own reward, and does not happen if parents don't step up to make it so. A very special thank you to Fiona and Sylvia who are stepping down this year for all your years of service.

I would also like to take the opportunity to thank our volunteers who are not on the committee but help the club on a regular basis. We simply could not operate on Friday night without you. Natalie Ham and Deb Scahill for their work on the straight track. Amanda Hardman for backing up on the circular track whenever there was need and to the parents and children who assist us each week with putting out and putting away equipment. To Holly and Amanda for entering the field results each week, Kyla Wadeson for her assistance on the circular track, Rick Brookes, Naomi Heart and Greg Llewellyn for assisting in the canteen on a regular basis this season. Also big thank you to Paul Martin and Luka Szymanski for starting on the straight and circular track. Of course there are the Parent Age Managers who are the backbone of the club and it goes without saying we would not be able to run without you. It really does take a village to keep it going. Every bit of help we get, big or small makes a difference.

A big thank you to our Volunteer coaches again this year particularly, Kevin Wills and Ed Batten who attend every week. Also to the coaches who come when they can, including Stuart Field and Lani Withnall who have all given their time to provide coaching support to our athletes. Slav Arkhipov who has also been a big help with showing the little ones how to throw a shot put. It goes without saying that your contribution is central to the mission of the club and is very valued. Kevin Wills in particular has been there for athletes twice a week or more, as well as being there at various events all over the state all over the season.

Last but not least thank you to our generous sponsors, Ettalong Diggers, Bendigo Bank, BOOST Juice Deepwater Plaza, Bakers Delight and Rebel Sport for supporting our club again this year. Such support helps us with all those little extras, gives encouragement and helps to keep our fees low so we are very grateful for your ongoing support.

Between us we have made it all happen for another year so thank you.

Christine Murphy
(President)

3.2 Secretary Report

This has been my first season on the WWPLAC Committee and in the position of Secretary. My first foray into a Club Committee position would not have been as enjoyable without the unwavering support of our President Christine and fellow Committee members. The time and effort these individuals put into ensuring the successful running of the club is nothing short of outstanding. In line with this, we are always looking for new Committee members so if there are any parents of enthusiastic young athletes out there, please consider taking up a position on the committee to enable the youth in our Club to keep running, jumping, and throwing!

During the 2022-23 season we filled most of the Committee positions and continued to try and to recruit new Committee members for next season. Thank you to everyone who stepped up

and helped us along the way. This season our committee met on the third Tuesday of most months. The Committee met on six occasions during the year. Committee Meetings held in 2022/2023: 19/7/2022 (Attendance; 4 members); 18/10/22 (Attendance; 7 members); 21/02/23 (Attendance: 6 members;); 21/03/22 (Attendance: 9 members); 18/04/23 (Attendance: 7 members), 16/05/2023 (Attendance: 7 members). Minutes of the committee meetings are available on request and stored on the central WWPLAC Google Drive. All other official paperwork in relation to the operation of the Club was completed and submitted as required by the NSW Little Athletics Association.

A big thank you to all the parents and helpers that assist on Friday evenings and to those that filled the jobs required of us at Zone, Regional, and State. There are some parents that hold the fort particularly with the younger groups on Friday's, which does not go unnoticed and is greatly appreciated. I know it is challenging for many, but I hope that next season we get some more parents to help out. Without parents taking the lead, our children would not be able to participate, so thank you again.

Zoe Brookes
Secretary

3.3 Treasurers Report

The club continues to have a healthy bank balance following on the good financial management from previous years and higher numbers of registered athletes this season.

The accounts have been audited by Meany and Associates (in section 7). At the close of the season we are in a viable position for next season. We started the year with a bank balance of \$36,714 in our working account and closed on 31/03/2023 with \$45,892 in the bank.

The canteen account opened with a balance of \$13,957 and closed with a balance of \$17,403. We thank all canteen volunteers for their excellent work.

Our club's total income for the season was \$31,578, less canteen expenses of \$4,746 and operating expenses of \$16,094. So we ended up with a small profit of \$4,938 overall.

Some points to note:

- Registration and canteen income was up this year, due to increased numbers of athletes.
- Almost all uniform sales were online.
- We received a grant for equipment from NSW State Government.
- LANSW increased their fees, but our club did not pass the increase on to athletes for the second year in a row.
- Major Sponsorship funds granted last year appear, in this year's figures.
- This year we paid some expenses to cover the costs of helpers at zone championships and a small amount to coaches for petrol etc. This is included as a new expense category in this year's books.

Sylvia Turnbull
(Treasurer)

3.4 Registrar Report

The Gameday registration platform was used to manage registration for the second year in a row. There were some ongoing issues with it. Fortunately, we were able to synch and use information from the Results HQ database to help manage the Gameday limitations. All athletes were able to enrol using the online system and the issues were mainly noticeable on the back end.

For the 2022/23 season we had 198 members. This was a 24% increase from the previous year. The club did not increase fees despite the LANSW state component of the registration being increased.

Rochelle Martín
(Registrar)

3.5 Records and Rankings Report

This has been our first season on the WWPLAC Committee sharing the role of Records and Recording Officer between us. It has been an enjoyable experience due to the support and encouragement from the other Committee Members, a special mention to Amanda Hardman and Lisa Holt for all their assistance at the beginning of the season and in answering all our questions about how to do the results uploading. In sharing the role I feel that Celeste and myself have worked well together with the uploading of the results and the timing on the circular track. With work commitments it has not always been easy to get to the track on time so it has been great being able to split this between us.

ResultsHQ, the computer program used, is an efficient and easy system to record results and enables quick and easy upload of the results from the computer. There were a few hiccups at the beginning, with other children running over the finish line who were not participating in the race etc, but these were quickly sorted.

During the 22/23 season on the circular track, I was witness to many individual Personal Best's (PB's), and there were always those super eager athletes who were keen to check their results as soon as they'd finished their race. A few records were broken during the season a well this year which was good to see.

A special thanks to Holly and Amanda for uploading the field results manually each week and to Natalie and Deb for managing the computer recording on the straight track each week as well. Their assistance each week has been fantastic.

Sharon and Celeste Boonaerts
(Records and Rankings Officers)

3.6 Championships Report

Zone championships were held at Mingara on the 3rd - 4th December 2022 for the first time in two years following Covid disruptions. Thirty athletes represented the club during the weekend and thirteen qualified for regional competition. Regional Championships were held at Glendale sport complex on the weekend 4th - 5th February 2023. State Championships were held at Sydney Olympic Park Athletics Centre (SOPAC) on the 19th and 20th of March. Congratulations to the 7 athletes who competed at this level.

This year there were also a wide variety of interclub gala days and other athletics events held. A special mention for Lola and Kobe Adeleke who represented the club at the Norm Johnston Carnival, Warren Mossman, Shoalhaven, Liverpool, Springwood and St George basin gala days, the Cardiff cup and the Lake Illawarra summer and winter carnivals and competed at Parkes this season. A special mention to Kobe, who broke the under 6 boys shot put record at St George basin Gala day, Parkes annual carnival, Lake Illawarra summer carnival and at the Springwood competition.

We thank our athletes and their parents for making the effort to represent our club. Also for doing the associated volunteer parent duties so far and wide throughout the season.

A big thank you also to our volunteer club coaches, Kevin Wills and Ed Batten for their weekly commitment and to Stuart Field for continuing to support when you could. We are grateful for your time and commitment knowing you have busy lives yourself. Your efforts contribute to helping our children learn how to do their events and become the best that they can be.

Rochelle Martin
Championships Officer

3.7 Coaching Report

Club coaches were available throughout the season. Kevin Wills was on hand every Tuesday and Thursday as well as attending various championships throughout the year. Ed Batten was available on Fridays for coaching before, and assistance during competition. We have a group of about 15 athletes who do additional training on a regular basis. We also had some training nights with coaches from other clubs throughout the season. Our athletes gain a lot from the extra support.

In addition, thanks to Lani Withnall, who dropped in to do some occasional training even though she no longer lives in the area. And to Stu Field who helped new athletes with high jump and did training sessions with the athletes who qualified for state. We are very happy that you can still find a bit of time for coaching in between work commitments. A special mention to Slav Arkhipov for his assistance on Shot Put with the younger athletes this year.

Kevin Wills
Officers for Coaching

3.8 Canteen Report

With the exception of one night in early January, the canteen ran every night of competition. The outgoing canteen crew (Graham, Barbara and Robyn) kept things going for the first month or so before handing over to us. We thank them for their long commitment to the club and the significant funds raised through the canteen sales over a number of years.

This year there have been a few new volunteers who have stepped up to help us keep things running smoothly throughout the season. Thanks to Ken Plowman, Naomi Hart, Greg Llewellyn, and Ric and Zoe Brookes who helped in the canteen on a regular basis.

The running of the canteen is quite a bit of work if you take into account the shopping, prepping and service on the night. We will look at ways of streamlining the work involved and setting up a volunteer roster for Friday nights for next year. We operated the canteen longer hours this season, taking last orders after the last race, which proved to be very successful adding to the profitability for the season. Next season we will look at different items for sale.

This year the canteen turned over between \$300 and \$600 per week. The canteen's total Income was \$8,519, expenses were \$4,746 meaning Canteen profit was \$3,773 for the season. Also special thanks to Christine who has done an amazing job and has been a wealth of knowledge and support to us this season.

Judi Brookes

(Officer for Canteen)

3.9 Uniform Report

Uniform sales went well and the online uniform system has taken over fully now. There is a small amount of old stock on hand. This year we added sports briefs to the uniform options. Sportsmagic, our supplier, did a great job and the new arrangement took a lot of work from club volunteers. This year we received \$560 from Sportsmagic which is donation based on a percentage of the associated uniform sales.

Ettalong Diggers sponsorship has been received again this year, for next season, although we received these a few days after this financial period, so funds will be included in next year's figures. LANSW increased their fees, but our club did not pass the increase on to athletes therefore registration income is down despite a small increase in registration numbers. Canteen sales appear to be down, however no uniform income was recorded last year and was included in the canteen sales. Noted ground fees, two years fees paid out of this year's accounts. Small loss showed for this year (\$2,799) depreciation a factor |

Nomination of Life Members.

A motion, in line with the WWPLAC Constitution, was put forward to nominate Kylie Brown, Lisa Holt and Fiona Wadeson as Life Members of the club for their long and distinguished service over many years.

1. **Kylie Brown** became involved with the Woy Woy Peninsular Little Athletics Club in 2009 when her children started participating in Little Athletics. She joined the Committee in 2011 and the records from that time show she was involved in no less than three committee positions that year. Since then Kylie has contributed an enormous amount of her time to the club, taking on a variety of roles including serving as Secretary for seven years, sharing the role of Vice President this year and was President of the club for three years.

For over a decade Kylie's commitment to the club has been on display, she has served on the executive for ten years. Kylie has been instrumental in the development of the club, securing grants and sponsorships, including the securing of funds that helped to build the current clubhouse that moved us out of a shipping container at the time. Kylie is also infamous for convincing her friends and family to help out as volunteers during her tenure.

Although her own children are no longer involved with Athletics, Kylie returned to the club in 2020 after a one-year absence in order to support the club and new committee members. Once again her family helped out with the equipment and canteen operations. Her contribution has been significant and most recently, instrumental in the club remaining operational. The club is indebted and grateful for her ongoing support.

2. **Lisa Holt** was an inaugural member herself of Woy Woy Peninsular Little Athletics club. Her first season with the club was in 1983/84 and she competed until 1986, until she was 14 which was the oldest age group at the time. Lisa continued to help on the committee way back then helping her late father with results recording and fundraising for the club.

Lisa returned to the club as a parent in 2011 when her son Bailey was in the U7's. She joined the committee in 2012 the following year, taking on the role of Trophies and Encouragement Officer as well as being the age manager for her youngest son's age group who joined that year as well. Since then Lisa has been responsible for the Records and Rankings and Registrar roles at the club. Results and Records was her official role for seven years. However, she remains the 'go to person' for results to this day, even though she technically handed the role over to others a while ago. Her technical support is second to none when there are issues with computers or timing gates at the track. Although she tried to 'retire' a few years ago, she returned a year later in order to help the club and share her extensive knowledge. Lisa is the current Vice President, a role she shares with her

| | <p>fellow nominees. Her long involvement, as a former athlete, her contribution on so many levels, and her dedication to the meticulous keeping of results has been invaluable to the club.</p> <p>3. Fiona Wadeson started with Little Athletics when she was nine years old and was also an inaugural member of Woy Woy Peninsular Little Athletics Club in 1983/84 where she competed until she was 14 years old. Along with her sister Lisa she helped her father with recording and fundraising for the club in the years that followed.</p> <p>Fiona returned to the club as a parent herself in 2007 when her son joined the U6 boys. Her daughter Kyla joined a few years later and Fiona age managed the U8 Girls from 2012. Fiona joined the Committee the same year and has been our Officer for Health and Safety and Uniforms every year since then. She currently holds the informal <i>longest consecutive years of service</i> title on the committee. We are happy that she will be back next year to continue to help the club. These last few years we are lucky enough to have her daughter Kyla following in her footsteps. We are grateful for the support of members like Fiona who diligently get the job done and are rock solid in terms of reliability.</p> <p>In her time on the committee Fiona has served as Vice President of the club for three years and has diligently worked on the circular track, calmly timing, ringing the bells and catching the numbers of our little athletes as they pass the finish line. Fiona is often the last person to leave on the nights where the longest races are on, always staying to the end to cheer athletes over the line and help pack up. Her own children no longer compete but they still come along to help out. Fiona's long-term dedication to the club as both a former athlete and committee member has been steadfast and outstanding.</p> <p>Christine expressed thanks to Kylie, Fiona and Lisa for their service to the club.</p> <p>Motion to accept them as life members was put forward by Christine Murphy (President) and seconded by Sylvia Turnbull (Treasurer). It was carried unanimously.</p> |

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Associations Incorporation Act and for such internal control as the committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Our Responsibility

Our responsibility is to express an opinion on the financial report based on our review. We conducted our review in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An review involves performing procedures to obtain evidence about the amounts and disclosures in the financial report. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

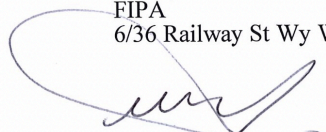

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
